

THE COUNTRIES OF EAST AFRICA

THE COUNTRIES OF EASTERN AFRICA

The countries found in the east of Africa form the Eastern African region. This is because they are located in the eastern part of Africa. Figure 1.1 below, shows the countries of Eastern Africa.

Fig 1.1: The countries of Eastern Africa

The countries of Eastern Africa are:

- Kenya
- Uganda
- Ethiopia
- Somalia
- Tanzania
- Sudan
- * Southern Sudan
- Djibouti
- Eritrea

Note: * A new nation expected to be officially launched in June 2011 by the United Nations Organisation.

Activity 1.1

In your exercise book draw the map showing the countries of Eastern Africa
