KENYA INSTITUTE OF CURRICULUM DEVELOPMENT

LIST OF APPROVED CURRICULUM SUPPORT MATERIALS FOR GRADE 7 - DECEMBER 2022

The Ministry of Education in collaboration with the Kenya Institute of Curriculum Development (KICD) and Kenya Publishers Association have analyzed the approval of Grade 7 CBC curriculum support materials that will be used from January 2023 when term one commences.

Schools, parents and members of the public are cautioned that the use of non-approved KICD curriculum support materials in schools is in contravention of Section 27 of the KICD Act of 2013.

The government of Kenya has purchased a course book for each of the learning areas that will be delivered to all public primary school in the country. The course books are being adapted for learners with special needs.

Government supplied books will have the following security features; the Coat of Arms and 'Not for sale' caveat on all printed pages to ensure integrity and retention of the books in schools. The approved list below is also available on KICD website; www.kicd.ac.ke
